## Chapter One

It was a beautiful morning. The sun was shining and there were no clouds. It was really peaceful...until you came into my house, which Emily did at precisely the wrong moment.

“Hey, are you all rea---what the HECK?” Emily was surprised to see Jessica freaking out.

I looked up from my 3DS. (I was playing Ocarina of Time.) “Uh...why is my sister freaking out?” I asked.

“I am freaking out because I don’t know what to wear when we go to Paris!” Jessica said.

Both Emily and I face palmed. “Dude...Ashley, Jasmine and Liz all went to Hawaii, and they didn’t freak out at all. They just grabbed clothes, scuba gear and their bikini’s...there’s nothing WRONG with that! And what about Amanda? She went to Germany.” I said.

“She just went as herself with clothes and flip-flops.” Emily replied, then looking at Jessica.

“Is Joshua going with us?” I asked.

“He is. He’s waiting in the car.” Emily replied.

Jessica looked and saw that I was already packed. “Alright, I’ll get ready.” Jessica smiled and ran to her room.

While we were waiting, I noticed something in Emily’s pocket. “Why’d you bring your gun?” I asked.

“Well, you never know when you need it...always be prepared, you know?” Emily smiled.

“That sounds like a good idea.” I said, as I ran to my room and grabbed my katana.

Jessica overheard our conversation and grabbed her katana. “I don’t think anyone would ruin our vacation...but...you never know.” She approached the door, katana in its sheath and suitcase in hand.

“Alright, let’s go!” Emily said, as we all walked out the door, as Jessica locked it.

“You know, I have a certain feeling we’ll never see this house again.” Jessica said.

“Oh please, what’s the worst that can happen? Some random pyro coming out of nowhere and burning the house down?” Emily asked sarcastically.

“I’m probably thinking too much.” Jessica sighed.

“No duh.” I replied.

We opened the car doors and were almost blasted a few feet from blaring music. What Joshua was listening to was Kingdom Hearts’ Sanctuary...at full volume. “Geez, you’re listening to Sanctuary After the Battle at full volume?” I asked.

“Well, I was bored so I put my iPod full of video game music on the radio.”

“Sure, and we were almost blown away from the music.” Jessica said.

“Huh, it would’ve been funny if you were actually blown away. I should have had Halo 2’s Blow me Away playing.” Joshua said, smiling.

“Yeah, that would be funny.” Emily chuckled.

“So, are we flying there?” Jessica asked, looking at the airplane mode button.

“Why fly when you can just take the Titanic?” Emily replied, already in the warp speed tunnel.

“Yeah, a cruise to France...that’d be awesome!” Joshua said, as I nodded in agreement.

“Well, let’s just hope Megalodon doesn’t have a twin brother.” Jessica said.

“I doubt he does.” Joshua replied, smiling.

We got out of the tunnel and we saw the Titanic just sitting there at the dock. “There it is!” Jessica pointed out.

“Alright, here we go!” Emily shifted gears and was going full speed ahead.

“So are we doing it Grand Theft Auto IV style again?” Jessica asked.

“Heck no! You almost got us killed the last time!” Emily said.

“Are you kidding me? We landed PERFECTLY.” Jessica replied, a little ticked off.

“I’m just kidding, silly.” Emily smiled and winked at Jessica, Joshua chuckled a little.

“But we’re doing it a different way.” Emily smiled.

“Okay.” Jessica said, looking out the window.

The captain was watching people getting in the Titanic when he noticed a sports car coming right for him. “I recognize that car.” The sports car got closer and then suddenly jumped up and landed on the same spot where it landed the first time.

“Spring tires! I just installed them yesterday.” Emily smiled.

“Man, this car continues to surprise me.” Joshua said, as we all got out of the car.

The captain walked right up to us and smiled. “So uh...do we have to pay?” Emily asked.

“Are you kidding?” the captain asked in shock. “You guys are celebrities after taking out The Dark Princess. Celebrities like you guys get in free!”

“Well how about that.” Jessica said, looking out at the ocean again.

“So where are you headed?” the captain asked.

“Paris, France.” I replied.

“You’re in luck, that’s our first stop.” the captain said as he went to the control room.

“Alright, let’s just relax until we get there!” I said, as the other three nodded in agreement.
